THE
"BELLE OF THE BALL."

Would not have been half so charming if she had not been wise as well as "pretty."
The reason is easy to find: Rare Perfumes lend added charm to beauty and the above young lady was posted. Backed up her judgment, too, by supplying her "perfume wants" at the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all know our stock of "society odors" is most complete.
One thing is certain—you may forget us, but the remembrance of our DELICATE, RARE and LASTING perfumes will linger longer with you than the memory of the "last rose of summer."

MARIETTA DAILY LEADER

THURSDAY, NOV. 5, 1896

PERSONAL AND LOCAL.

—One hundred is a conservative estimate of the number of drunken men on Front street between the hours of eight and eleven last night. Under the circumstances the starting of false reports in regard to the election was a questionable piece of business and but for the vigilance of the police would no doubt have resulted in trouble.

—Mr. Robert J. Gray and Miss Amanda C. Kimberly were married Tuesday evening by Rev. M. W. Acton, at the residence of the bride's brother, on Clifford St.

—A special meeting of the Order of Eastern Star will be held this Thursday evening at 7 p. m., for the installation of officers and all officers and members are requested to be present.

—Fred Gemmill, of Parkersburg, brother of Mrs. John Roy, died Wednesday morning, the 4th, of typhoid fever.

—The steamer Catherine Davis will leave Friday evening for Cattlettsburg, Ky., where the Marietta football team will play on Saturday. Accommodations will be provided for a limited number of persons outside of the football team, for whom the round trip fare, including meals, will be three dollars. After the game the boat will leave Cattlettsburg Saturday evening, arriving home Sunday morning. Persons who may desire to make the trip are requested to leave their names at the Leader office or the Marietta Book Store.

—Invitations are out for a whist party to be given Wednesday evening, the 11th by Mr. and Mrs. W. R. Grimes. The occasion is in honor of the tenth anniversary of their marriage.

—We understand that the chair factory will resume work Monday morning next. The chair factory is like many other institutions in the land, waiting for the assurance of Republican success, on which many orders hinged.

—Mr. J. W. Gray, of Chicago, and Miss Rosa Shields, of this city, were quietly married at the home of the bride on Front street Wednesday evening and left at 11:25 for Chicago.

—Mrs. D. P. Scott, of Parkersburg, is the guest of her sister, Mrs. Edward Best.
—The annual banquet of the Class of 1900, Marietta College, was held Wednesday evening at the Bellevue Hotel and was a delightful social occasion. The members of the class are: W. J. Bay, F. E. Coe, E. R. Coghill, S. B. Cole, O. O. Dougherty, J. Garry, L. S. Hall, J. L. Hopwood, J. W. Jend, H. V. Leach, W. H. Leonard, J. McLaren, W. L. Pierpoint, B. A. Plumer, E. W. Scott, H. L. Sheldon, A. Stevenson, J. Stone, G. C. Story, H. P. Warren, E. R. Williams.

—The entire Republican ticket in Morgan county was elected by small pluralities, with one exception, Ed. Kennedy, Popocratic candidate for Probate Judge, was re-elected.

—Clerk W. C. Bartholow, of the Auditor of State's office, returned to Columbus Wednesday, having been home to vote.

—A marriage license was issued Wednesday to J. W. Gray, of Chicago, and Rosa M. Shields of Marietta.

—The six-months-old child of Mr. and Mrs. George Mason, Second street, died Wednesday after an illness of a few days.

—One of the most dastardly outrages the Journal has ever been called upon to chronicle is the tearing down and destruction of the American flag at Sarahsville last Saturday night. Mrs. Reed Kirk, widow of a union soldier, who brought home with him the flag of his regiment, the 92d, which has since his death been kept as a sacred keepsake by his widow and on Saturday she flung it to the breeze in front of her residence, and left it out during the night not thinking that any one would be so low and mean as to destroy any American flag, to say nothing of one surrounded by so many sacred memories. It was carried by her husband in the grand review at Washington, and draped his bier, after his death. Who can imagine the sorrow and anguish of the poor widow when she awoke on Sunday morning to find that her flag, her husband's flag, the flag of her country had been torn to shreds, and its pieces scattered. We do not feel ourselves competent to comment on this great outrage.—Caldwell Journal.

—Editor D. D. Taylor, of the Cambridge Times, was taken to Columbus, to be treated by a specialist. It will be remembered that three weeks ago he was struck in the eye by a cow.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at W. H. Styer's Drug Store. Regular size 20c, and \$1.00.

RIDICULOUS ENTHUSIASM.

Drowning Free Silver Men Grasp at the Straw of a Bogus Telegram.

In the early part of Wednesday evening some person, no doubt with a view to perpetrating a practical joke, or to give him a chance to hedge on bets, circulated a report on Front street to the effect that a telegram just received conveyed information that Bryan was leading McKinley by three votes in the electoral college with good chances of success.

Stragely enough, the hoax spread like wild fire and in a very few minutes there were a half dozen disorderly crowds on the street yelling like mad for Bryan. The police were unable to disperse them and in a short time the drinking element was intoxicated and the two squares from Putnam to Greene were the scene of a pandemonium of shouting and screaming.

On the strength of the enthusiasm engendered by the false report several Democrats were led to bet their money on Bryan, which was simply throwing it away. Some leading spirit guided the crowd to Marshal Hall, where General Warner produced some "claiming" telegrams of the celebrated Jones brand and his wrought-up auditors bit eagerly at the bait.

While all this was going on bulletins were flashing over the wires giving the states claimed for Bryan to McKinley—Indiana by 17,000, West Virginia by 10,000, Kentucky by 3000 and California by a safe plurality.

A number of Republicans with money to back McKinley went after the shouters rough-shod, but the remarkable little Bryan boom had nothing back of it and collapsed with a dull thud.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents and \$1.00 per bottle at W. H. Styer's Drug Store.

Watertown.

Suitable Flags have been erected over each schoolhouse in the township and teachers and pupils seem proud of the move. Flags 4x6 with fixtures and all complete costing only about \$4.00.

Mr. D. W. Martin, of Wheeling, gave us a rattling good Republican speech on last Saturday evening. Mr. Martin has worked in the tin mills for seven years and in a large iron mill for 13 years, the latter of which he is now chief engineer. He could talk of the labor question and protection to home industries from personal experience. Mr. Martin is quite a politician with considerable experience and ability.

Mrs. S. W. Harvey and Mrs. Mercia Ford, of Barlow, visited friends here the first of the week.

Corn husking is being pushed for fear of cold fingers later on. To favor a tired back make a husking jack 8 feet long, 3 1/2 feet wide and 2 feet high. Fodder twine loop in one end, knot in the other, hang on forked stick within reach. Try it.

Pure blood and a good digestion are an insurance against disease and suffering. Burdock Blood Bitters keeps the blood pure, the digestion perfect.

Itching Piles, night's horrid plague, is instantly relieved and permanently cured by Doan's Ointment. Your dealer ought to keep it.

Sometimes an apparently dead man may be revived—may be resuscitated. Sometimes it is often hard to tell whether the man is dead or alive. We hear of people who have been buried alive. A man must be completely dead before hope should be abandoned. It used to be true that when a man found he had consumption, he gave up immediately. Consumption was considered a necessarily fatal disease. It was considered incurable. As soon as it developed enough so that a physician could decide that it was really consumption, the patient was considered as good as dead. Years ago, Dr. Pierce found out that consumption was not incurable, that it was not necessarily fatal. He not only found this out, but he found out a way to cure consumption. He introduced his "Golden Medical Discovery." The "Discovery" will cure 98 per cent. of all cases of consumption if it is taken according to directions. Consumption is a disease of the blood. It is caused by impoverishment of the blood, and by the existence of disease germs in the system. If the body is perfectly strong and healthy, and the blood perfectly pure, germs are easily thrown off. If the body is weak, if the tissues are incapable of much resistance, the germs find a resting place and develop. That's the way consumption begins.

The "Golden Medical Discovery" searches out the germs, forces them out of the system and cures consumption and other kindred diseases of the throat, bronchia and lungs. No doubt about it, no question about it. It has done it in hundreds and thousands of cases. The "Discovery" is sold at drug stores.

A Close Vote in Nebraska.
LINCOLN, Neb., Nov. 3.—The vote in Nebraska Tuesday will be close and it is questionable if the result even on heads of tickets will be definitely known before Thursday. If betting is any indication Bryan men have a trifle the best of it. Mr. Bryan's home county is claimed by the republicans by 2,000, but his supporters insist that it is far too large.

Democrats Claim New Jersey by 25,000.
NEWARK, N. J., Nov. 3.—The republican managers here are confident that McKinley will carry the state by from 40,000 to 50,000 plurality. The democrats do not concede this and say the state will go for Bryan by 25,000 votes.
